**The undersigned patient and/or responsible party, in addition to continuing personal responsibility, and in consideration of treatment rendered or to be rendered, assigns to the physician or facility named above the following rights, power, and authority.**

RELEASE INFORMATION: You are authorized to release information concerning my condition and treatment to my insurance company, attorney, or insurance adjuster, for the purpose of processing my claim for benefits and payment of service rendered to me.

IRREVOCABLE ASSIGNMENT OF RIGHTS: You are assigned the exclusive irrevocable right to any cause of action that exists in my favor against any insurance company for benefits to the extent of your bill for total services if such benefits are owed within the terms of the policy, including the exclusive, irrevocable right to receive payment for such services, make demand in my name for payment, and prosecute and receive penalties, interest, court costs, or other legally compassable amounts owed by an insurance or state statute. I, as the patient and/or the responsible party, further agree to cooperate and provide information as needed, and appear as needed wherever, to assist in the prosecution of such claims for benefits upon request.

DEMAND FOR PAYMENT: To any insurance company providing benefits of any kind to me/us for treatment rendered by the physician/facility named above, you are hereby tendered demand for pay in full the bill for services rendered by the physician/facility named above within 60 days following your receipt of such bill for services to the extent such bills are payable under the terms of my/our policy for benefits, less any amounts which I/we owe personally which are not payable under the terms of your policy. We want you to know how your Patient Health Information (PHI) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations we must require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing this consent.

1. The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (PHI) for the purpose of treatment, payment, healthcare operations, and coordination of care. As an example, the patient agrees to allow this chiropractic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that this office will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.
2. The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office is not obligated to agree to those restrictions.
3. A patient's written consent need only be obtained one time for all subsequent care given the patient in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not effect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.
5. For your security and right to privacy, the staff has been trained in the area of patient record privacy and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.
6. Patients have the right to file a formal complaint with our privacy official about any possible violations of these policies and procedures.
7. If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations, the chiropractic physician has the right to refuse to give care.
